The application contains a statement setting out how the proposal will be consistent with the objectives of the *Dún Laoghaire-Rathdown County Development Plan 2022–2028*. The application also contains a statement indicating why permission should be granted for the proposed development, having regard to a consideration specified in section 37(2)(b) of the *Planning and Development Act, 2000*, as amended, notwithstanding an argument that the proposed development materially contravenes the relevant Development Plan or local area plan other than in relation to the zoning of the land.
